

T6Model::getAllMuscles

```
graph LR; A[T6TensionController::onStep] --> B[T6Model::getAllMuscles];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'T6Model::getAllMuscles'. The box on the right is white with a black border and contains the text 'T6TensionController' on the top line and '::onStep' on the bottom line. A dark blue arrow points from the right side of the white box to the left side of the gray box.

T6TensionController
::onStep
