

sensors/tgDataObserver.h

```
graph TD; A[sensors/tgDataObserver.h] --> B[fstream]; A --> C[string];
```

The diagram illustrates the dependencies of the header file `sensors/tgDataObserver.h`. It is represented by a gray rectangular box at the top. Two blue arrows originate from the bottom edge of this box and point downwards to two separate white rectangular boxes. The left box contains the text `fstream` and the right box contains the text `string`, indicating that the header file depends on these two standard C++ libraries.

`fstream`

`string`
